“The venue, food and booze have received so many plaudits, you have undoubtably won over many new patrons.

And the behind the scenes work to get it just right made such a difference: the planning, invites, organising DJ / sax, tables etc were all great and much appreciated.”

Steve

“A huge thank you for an absolutely brilliant party yesterday - thank you for looking after us and our guests so well!

Everything from the food and drink to the playlist was amazing and both us and our guests had a wonderful time!

We'll see you around and wouldn't hesitate to recommend.”
